公司定位

Shandong Xianke focuses on commercial kitchen equipment manufacturing and supply, serving restaurants, central kitchens, hotels, canteens, food processing businesses and kitchen engineering projects with practical product selection and equipment matching

核心能力

PRODUCT RANGE

- Refrigeration equipment for display, storage and preparation.
- Heating, barbecue, cleaning and food preparation equipment.
- Stainless-steel worktables and supporting kitchen products.
- Selection advice, equipment matching and after-sales support.

服务客户

CUSTOMERS

- Restaurant chains, hot pot, barbecue and fast food brands.
- Central kitchens, hotel kitchens and commercial canteens.
- Food processing workshops and kitchen project contractors.
- Kitchen equipment distributors and supporting purchasers.

品牌文化

VALUES

- Practical design for real kitchen operation scenarios.
- Durable structure for high-frequency commercial use.
- Efficient equipment matching to improve kitchen workflow.
- Responsible service from selection to after-sales support.

目标市场

TARGET MARKETS

- Domestic food service brands upgrading or expanding stores.
- Standardized kitchen projects for hotels and institutions.
- Overseas growth markets including Middle East, Southeast Asia and Africa.
- Restaurants, hotels, processors, contractors and distributors worldwide.

稳定产品质量 + 灵活设备搭配 + 持续服务支持

Stable quality, flexible equipment matching and continuous service support.
